25. (Unclassified - MMP) LIAISON Pauline Baker, on the staff of the Senate Foreign Relations Committee, called to ask when the follow up requirements for inclusion in the record of the 10 February 1978 briefing on foreign military presence in Africa would be completed. After checking with [ ] NFAC/CSS, I told her that the analysts would do their best to get the paper to her by the end of the week, but pointed out that the same analysts are particularly busy (working as a Task Force on the Horn) and may not be able to complete the responses for another two weeks.

26. (Internal Use Only - MMP) BRIEFING Called Dick Giza, House Permanent Select Committee on Intelligence staff, to advise him that I had arranged for two briefings for him on 3 March at the Headquarters building: 1400-1600 hours with [ ] C/OSO, and 1600-1700 hours with [ ] EPDS. The first is for a briefing on how OSO is run and how its product is evaluated and the second is to find out how the DDO goes about gaining evaluations of its intelligence reporting on energy.

ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 23 February 1978

1. (Unclassified - RJK) LIAISON Called Barbara Allem, on the staff of the Senate Foreign Relations Committee, in response to her call of late yesterday afternoon to check on the compartmented clearances of staff members, David Keaney and Roy Werner. After receiving word from our Compartmented Information Branch which had also checked with DoD, I advised her that their clearances had not yet been approved.

3. (Unclassified - RJK) LIAISON Called James Sieben, in the St. Paul office of Senator Wendell R. Anderson (D., Minn.), in response to his earlier request for a constituent. He had asked about the percent of land in the United States which is owned by foreigners. Having checked with NFAC/CSS, I advised his secretary because Sieben was out of the office that, unfortunately, this Agency could not help with this kind of information since our responsibilities relate to foreign intelligence, and I suggested that the Commerce Department might be able to help.

4. (Confidential - ELS) LIAISON Delivered to Chairman Birch Bayh (D., Ind.), Senate Select Committee on Intelligence, a letter from the DCI regarding a Report on the Management and Organization of Data Processing Resources (SC 02559-78, dated 22 Feb 78) with an attachment, SC 02517-78.

30. (Unclassified - KJS) ADMINISTRATIVE - DELIVERIES  
Per the request of , OLC, sent via courier to Tom Dine, on the staff of the Senate Budget Committee, two unclassified publications on terrorism which Dine had requested.

31. (Confidential - ELS) LIAISON Hal Ford, on the staff of the Senate Select Committee on Intelligence, called to request permission to interview Tom Polgar and George Carver, both from the DDO, in regard to the Snepp affair. I said I would check.

32. (Unclassified - RLB) LEGISLATION Spoke with Pat Norton, on the staff of the Senate Select Committee on Intelligence, to obtain information on the Committee's anticipated hearing scheduled on S. 2525, the intelligence charter legislation. Mr. Norton said he hoped to speak with Bill Miller, Staff Director, within the next day or two to obtain a tentative schedule. At this point, however, Mr. Norton indicated Senator Walter D. Huddleston's (D., Ky.) Subcommittee on Charters and Guidelines probably would begin hearings in about four weeks, receiving testimony as to the general issues in the legislation from witnesses such as Clark Clifford. Mr. Norton also indicated testimony from former DCI's, Admiral Turner and other Government officials would follow this initial phase (perhaps two sessions per week for a period of time). The testimony this year probably would focus on the general issues (e.g., what activities should be prohibited, the role of the Director in heading the CIA, what activities should be allowed regarding collection of information on U.S. persons, etc.), and that this, coupled with working-level discussions as to specific, line-by-line changes in the bill, would provide the necessary material to redraft the bill for reintroduction at the start of the 96th Congress in January 1979.
